

DESCRIPTION

TEGO® Wet 296 shows excellent wetting and anti-crater properties with flow promotion in waterborne coatings.

KEY BENEFITS

- highly active and broadly usable
- efficient crater prevention and elimination
- excellent flow promotion

EFFECT**Substrate wetting****Anti-crater effect****Flow promotion****Defoaming****Reduction of static surface tension****Reduction of dynamic surface tension****SUITABILITY**

waterborne	solventborne
●	●
2-pack 100%	radiation-curing
●	●
pigmented coatings	clear coatings
●	●

● not suitable ● partly suitable ● suitable

TYPICAL APPLICATIONS

- General industrial coatings
- Transportation coatings
- Wood coatings
- Car OEM coatings

TECHNICAL DATA

active matter content	52 %
appearance	clear liquid
chemical description	polyether siloxane copolymer
delivery form	liquid
solvent	dipropylene glycol monomethylether

SOLUBILITY

Water	Ethanol
●	●
TPGDA	Acetone
●	●
Butylacetate	Mineral Spirits
●	●

● not soluble ● partly soluble ● soluble

RECOMMENDED ADDITION LEVEL

As supplied calculated on total formulation: 0.1 - 1.0 %

PROCESSING INSTRUCTIONS

- Stir before use!
- Addition at the let-down stage is recommended.
- Addition as supplied is recommended.

HANDLING & STORAGE

When stored in an original unopened packaging, the product has a shelf life of 60 months from the date of manufacture.

This information and all further technical advice are based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer.
